## Alpha joins F.A.C.T.S. and raises over \$1,350

Alpha and FACTS (Fighting Against Child Trafficking for Sex) partnered together for a night of ballroom dancing to raise

awareness for child sex

trafficking in our community. A splendid time was had by all as

our very own, Jarrod and Cara

Dominick from Alpha, demonstrated and taught the Foxtrot and Swing. All proceeds benefited F.A.C.T.S. and their mission of increasing awareness of child sex trafficking, engaging our parish to lobby for legislative changes, and serving the victims of sex trafficking. ## You won’t want to miss - *The Impact of Alpha*

- Easy on-ramp for anyone getting started
- Re-awakens faith- sometimes a recharge is good
- Community builder-creates an environment to foster friendship

## Consider this...

Did you know that a recent study by the Barna Research Group found that 94% of Christian millennials think knowing Jesus is the best thing that could happen to anyone. Yet, of those same Christian millennials, 47% believe that sharing their faith is wrong. Quite the paradox!

The invitation to life shared through an Alpha group opens up conversation, respect and friendship, while faithfully spreading the good news. Radical hospitality, listening, trust in the Holy Spirit, and partnering alongside our guests helps them navigate their journey and dissipate the paradox.
